Golfing, Shooting & Fly Fishing Event Day

Join us for a fantastic NEW fun 'Day Out' Package - ideal for corporate entertainment, team building day or just a group of friends - even for a hen or stag party!

As well as playing some **great golf** on our superb course, why not mix it up with a few hours of **clay shooting** and a spot of relaxing **fly fishing** at our fully stocked fishing lakes, right here at Magnolia Park!

We also offer full catering and bar facilities with superb food and drinks to help you entertain your clients. **We've teamed up with the fantastic Greenfield Entertainment to offer a great package which you can mix and match to suit your needs. Greenfield Entertainment** is a Country Pursuits and Shooting School based just a short distance away from Magnolia Park.

We can tailor your Day to suit your own requirements and budget. Choose to do all three activities or even just go for a half day of one activity.

 **Golfing** Magnolia Park will of course be the location for the golfing! We cater for golf players of all levels including non-golfers and you can choose to play a round of great golf on our fantastic 18 hole championship course or our own professional team of golfers can offer lessons on our 9 hole Academy course

 **Clay Shooting** You will be located at the Greenfield Entertainments school for the Clay Shooting section of the day, where their experienced and qualified instructors will take you every step of the way from novice to open shoots and will help you to progress in this friendly but addictive sport.

 **Fishing** For the novice fly fisher or someone who has got some experience fishing and would like to improve, you can enjoy the fishing activity here at Magnolias fishing lakes, with 1 fishing guide per 3 people. Includes all equipment, licences, a 4-fish ticket.
